## Event Card Bundle

Make sure who is at your event, *should* be at your event!

The Amphi II Event Card Printer produces cards with high resolution photo quality printing. The Amphi II prints on 4" x 7" ID cards, it makes it easy to quickly identify the validity of who is at your event at a single glance. The size of the Amphi II's cards gives you the ability to personalize them on site and on demand. It's unlike any other card printer out there.

And now, TransTech has bundled everything you need to get started into one affordable package! Make sure to take advantage of this special offer for only **\$2748!** (MSRP)

*Here's what's included in the Event Card Bundle:*
