

## EVOLIS TRY & BUY PROGRAM

TransTech Systems brings you the most reliable ID card printers on the market. We are so confident in the quality and performance of the Evolis card printers that we will give you a 30-Day FREE trial of an Evolis printer through our special Try & Buy Program. Try the Evolis printers now and experience the difference!

A red-bordered box containing four Evolis printer models. Each model is accompanied by a small image, its name, a brief description, and a warranty offer. The models are: Tattoo 2 (red and white, 'Entry-level single-sided color card printer', '3 Year Warranty'), Pebble 4 (green and white, 'Single-sided color card printer', '3 Year Warranty'), Dualys 3 (blue and white, 'Dual-sided color card printer', '3 Year Warranty'), and QUANTUM (black and silver, 'Dual-sided card printer for high volumes'). A central text block states: '\*ONLY TransTech Systems provides a No-Charge, In-Warranty Printer Loaner Program with any Pebble or Dualys Printer!'.

### Other reasons to buy Evolis through TransTech Systems:

-  When you purchase a Pebble or Dualys printer, you will get a loaner program at no charge when your printer is under warranty.
-  With limited channel distribution, you can bid Evolis with confidence that you will not lose business to deep discounters at prices below your cost.
-  With the strongest enforced MAP and ebusiness policies in the industry, you can be assured that you will not be under-cut by internet competition, leaving your large margins intact.

Do not miss the opportunity to test the Evolis printers and grow your business now!  
Call us today at 1-888-843-3643 or email us at [sales@ttsys.com](mailto:sales@ttsys.com)

Place your order for the normal price of the printer mentioning the "Try & Buy Program", and we will send you the Evolis printer, along with a no-charge color ribbon and a no-charge sleeve of 100 cards! After 30 days, if you want to keep the printer, we will simply process the invoice for the printer and it's yours! If you do not wish to keep the printer, please contact us to get an RMA and show proof of the return shipment within 30 days of the original invoice date to avoid charges. Keep the ribbon and the cards at no cost.
