

## Printer Options & Accessories

# Tattoo<sup>2</sup> Travel Case A5310

### Target applications

- Schools
- Clubs
- On the move users
- Printer demonstration

### Available on:

- Tattoo<sup>2</sup>

### Delivery:

- Travel case equipped with a Tattoo<sup>2</sup> printer and its accessories
- Empty case

This Travel Case from Evolis is the must-have accessory for full-fledged protection of your Evolis Tattoo<sup>2</sup> printer when on the move. It has a sturdy shell, covered with a special-purpose foam material and boasts of multiple storage compartments.

With this travel case, your printer and accessories are out of harm's way, provided you meet all the handling advices of this product.

The Evolis Travel Case will act as a protective frame for your printer wherever you take it, in the trunk of a car or in a train. It does comply with air cabin use but it is not suitable for loading in the cargo hold of an aircraft.

The Tattoo<sup>2</sup> Travel Case is available in two versions:

- A promotional version that combines the case, a printer and accessories
- A stand-alone case.

The promotional offer serves as a powerful selling vehicle to showcase the Evolis Tattoo<sup>2</sup> in action:

- Personalization of small runs of cards, thanks to the automated 100-card feeder and the 10-card hopper.
- Over-the-counter operation in a manual card-by-card feed.
- Connection via USB.
- Color or monochrome printing.

This special offer, therefore, comes with a wealth of features:

- A Tattoo<sup>2</sup> printer
- A 10-card hopper
- A set of 100 blank cards
- A R3411 YMCKO color ribbon
- A R2211 BLACK monochrome ribbon
- A cleaning set
- A USB cable
- A CD-Rom with drivers and documentation
- A CD-Rom with the eMedia software, trial edition
- A travel case, and
- A robust protective packaging, designed for international shipping.
